Dear UNFSU Colleagues,

On behalf of the World Food Programme, please allow me to thank you for the relentless efforts showcased by you in supporting our work for the Turkiye and Syria earthquake operations in February of 2023.

To date, WFP has received a total of USD 20,000 from staff wanting to support WFP's earthquake appeal. The contribution from UNFSU colleagues would be enough to provide monthly food assistance to 1,750 earthquake-affected people in Syria via vouchers provided to them for immediate relief.

Once again, thank you to UNFSU colleagues and staff for all the support and help with the earthquake campaign and we appreciate you coming forward to support us in a time of need.

Kind regards,

Karine Ataya
